

SANDUK BASELINE QUESTIONNAIRE

0.0 Date: I _____ I _____ I 2022

Introduction and Consent:

Hello. My name is <name> and I work with UNDP. We are conducting a baseline study about SANDUKS in the borderland area of Aweil and would like to collect information about your SANDUK. This information will help us to learn more about how SANDUKS work to benefit members and allow us to understand how members can be supported to improve their livelihoods. Before we start, I would like to let you know that participating in this interview is voluntary and you can decide to opt out at any time. You do not have to answer all or part of the questions and that answers provided will be treated as anonymous and confidential. There are no consequences of any kind if you decide to stop the interview at any time. If you do not understand any of the questions, please say so and I will explain it. You may ask me questions at any point during the interview. Please note that your decision to be part of the interview will not guarantee or affect your participation in future UNDP activities and projects. The information you provide us will be used by the Organization only.
